ATTENTION ALL REPORTERS: Your Editor has moved! We have bid a somewhat gleeful adieu to the C Street side of the building and have turned over our former space to Forest Service with a caution that we do not furnish megaphones or loud speakers. Once they learn to yell as we learned, I am sure they will love it there. We have said goodbye to noise, heat, dust, and dirt and are now ensconced in our new quarters in Room 3860. If Span is late getting to you, it is because of our move and confusion, commotion, and waiting that goes with it.

ELEC. OPER. & LOANS: We were all saddened by the sudden death of Frank W. ("Bud") Carroll on Saturday, August 28th. The funeral was held on Wednesday, September 1st at his former home in Lyons, New York. "Bud" had just returned from a visit to his home. The sympathy of all REA co-workers was expressed to the family. Sorry to report Leola Moore on sick leave. Stella Rice's son was spotted riding a jeep in the Legion parade.

ADMIN. & LOAN ACCTG.: What's with the gal seen around the building wearing slacks? Are we missing the boat? Lou Fortson celebrated his birthday with a real tea party - tea cart and everything.

NORTH CENTRAL AREA: Fern Hansen is escorting her sister from North Dakota around Washington to see all the "wonders". Joe Zoller cuts a real charmin' figger in his Scotch plaid Bermuda tennis shorts. He also swings a mean racket.

TELE. ENGINEERING DIV.: No news - just a question - WHO WILL BE MISS TELEPHONE?

WESTERN AREA: Russell Wade, Field Accountant, is in the Washington Office for three weeks. He's lost 16 pounds and has been put out of office as President of the Alaska Jelly Belly Club, he says. Desk for sale in Western Area by woman with curved legs.

NORTHEAST AREA: We've talked about it so much and waited for it so long that our move hardly seems like news any more. John Case, field engineer, in the office for a week
